We wish Mr L and his family all the best in the future.

LUNCHTIME VOLUNTEER PROGRAM

Jodie Mayall has been seeking interested individuals who are keen to be a part of our Volunteer program. We are pleased to advise that several people have put their hand up to be a part of this positive education initiative. Mrs Kerrigan will be contacting volunteers this week to make arrangements. Thanks to Jodie for her efforts to recruit our wonderful volunteers.

If you have a special interest and skill in an activity such as sport, scrapbooking, knitting, crafts, computers, etc. and you can spare one hour a week to work with a group of students at lunchtime we would love to hear from you. Please contact the school if you are interested.

Fruit & Veg Month is a health promotion program for **NSW primary schools** that puts a positive focus on fruit and vegetables. The program is supported by NSW Health.

Fruit & Veg Month 2017 will be held from 28 August to 22 September and the theme for this year is 'Get Loud for Fruit & Veg!'. Australian children (and adults!) don't eat enough fruit and vegetables.

That's why this year's theme will focus on the benefits of fruit and vegetables, investigating why we don't eat enough of them, and promoting the

'eat more' message to peers, families and the wider community. Watch this space as we announce more exciting news about the program in the coming months.

BOOK WEEK 2017 - Escape to Everywhere

Where will reading take you? Imagination drives creativity and innovation. It allows us to envision and escape to worlds beyond our own, to times other than the here and now. It turns boxes into racing cars, dining chairs and blankets into pirate forts, and dress-ups into sweeping ball gowns. Imagination is behind every fairy tale, picture book and work of fiction we cherish from our childhoods.
